Smooth and easy work Bosch Low Vibration is a shockabsorbing and vibrationdampening feature designed to reduce user fatigue for comfortable, smooth, and easy work in extensive or difficult applications. Reduce dust for a cleaner working area During sanding, dust is automatically drawn into the removable Microfilter System box for a noticeably cleaner working area. The tool can also be attached to a vacuum cleaner. Quick and easy sanding paper changes With the hookandloop fastening system, the sanding paper can be removed and replaced quickly and easily. Simply pull off the old sanding paper and press the fresh sanding paper onto the sanding plate. Quick and precise sanding paper mounting The paper assistant applicator provides guidance for a perfect fit when mounting sanding paper onto the sanding plate. This prevents unnecessary sanding paper wear and workpiece damage. More features of PEX 400 AE For rapid work progress High eccentricity provides faster work progress, by offering a larger, more complete coverage of the working area beneath the tool. For comfortable working in all orientations The auxiliary handle enables optimal guidance of the tool and extra pressure to be applied to the working area. Superior grip for comfort and control The softgrip zone provides comfortable tool handling and superior control, a useful feature in applications requiring extensive tool operation. Measured values determined in accordance with EN 60745 Vibration total values vector sum of three directions. Delivery details PEX 400 AE Order number Plastic case Paper Assistant ET no.
